PROFESSIONAL SUMMARY

Motivated Computer Science Engineering undergraduate graduating in 2027 with knowledge of Java, Python, MySQL, and Playwright automation testing. Interested in software development and quality assurance through AI-assisted projects and self-learning. Seeking internship opportunities to gain practical industry experience.

EDUCATION

Bachelor of Engineering in Computer Science and Engineering

J. J. College of Engineering and Technology

CGPA: 8.4

2023 – 2027

Higher Secondary (Class XII)

Samaadh Senior Secondary School

Percentage: 68%

2022 – 2023

Secondary School (Class X)

Samadh Senior Secondary School

Percentage: 70%

2020 – 2021

PROJECTS

Jameer E-Commerce Website (AI-Assisted Learning Project)

Prototype web application developed with AI assistance and self-learning

- Developed a prototype e-commerce website for a local retail business using AI-assisted development tools.
- Implemented product listing pages, navigation flow, and user interface components.

Gym Management Application – Vijay Fitness

Learning project developed to understand management systems

- Developed a gym management application for member registration and attendance tracking.
- Explored backend logic and database interaction concepts.

Automated Testing Project – Tiffin Service Application

Automation testing project using Playwright

- Developed automated test cases for user workflows using Playwright.
- Performed application functionality testing and test execution.

““

TECHNICAL SKILLS

Programming Languages: Java, Python

Automation & Testing: Playwright Automation Testing, Quality Assurance Fundamentals

Web Technologies: HTML, CSS (Learning)

Databases: MySQL

Tools: Git, GitHub, VS Code

Core Concepts: OOPS Concepts, DBMS Fundamentals, Data Structures Basics

Soft Skills: Communication Skills, Problem Solving, Self-Learning

CERTIFICATIONS

Claude 101 & Claude Code 101 – Anthropic Education

Scaler Certifications – Java, DSA in Java, OOPS in Java, MySQL

ACHIEVEMENTS & ACTIVITIES

Participated in Smart India Hackathon (SIH)

Participated in MSME Innovation Challenges

Participated in National Level Smartathon at Dhanalakshmi Srinivasan University

Completed KUKA Robotic Training Program (Fundamentals)
