PROFESSIONAL SUMMARY

Motivated Computer Science and Engineering student with a strong foundation in programming, data structures, and machine learning. Experienced in developing real-world applications using Java, Python and web technologies. Proven ability to build and evaluate machine learning models with high accuracy. Passionate about solving complex problems and contributing to innovative software and AI-driven solutions.

TECHNICAL SKILLS

- **Programming Languages:** Java, Python
- **Frameworks/Libraries:** Pandas, NumPy, Scikit-learn, Matplotlib
- **Core Concepts:** Data Structures & Algorithms, OOP, DBMS
- **Tools & Technologies:** Git, MySQL, VS Code
- **Soft Skills:** Teamwork, Time Management, Problem Solving

PROJECTS

AI-Based Crop Recommendation System | Machine Learning | Aug 2025

- Developed a machine learning model to recommend suitable crops based on soil and environmental conditions.
- Performed data preprocessing, feature engineering, and model evaluation.
- Achieved 95% prediction accuracy, improving decision-making for agricultural use cases
- Utilized data visualization and analysis techniques for better model insights.

Emotion Detection from Text | Machine Learning | July 2025

- Developed an NLP-based model to classify emotions from textual data.
- Applied text preprocessing and TF-IDF vectorization techniques for feature extraction.
- Achieved 85% accuracy through model training and evaluation.
- Improved classification performance through model tuning and optimization.

INTERNSHIPS

Artificial Intelligence and Data Analytics Intern | Aug 2025 – Sep 2025

- Completed a 4-week internship focused on AI and data analytics.
- Worked on foundational concepts in machine learning and data-driven decision-making.
- Applied analytical techniques to solve practical problem statements.

CERTIFICATIONS

- Claude 101 - Anthropic
- Microsoft Azure Internship Completion Certificate
- Cloud Administration & Engineering - Microsoft & AICTE
- Web Development Fundamentals - IBM SkillsBuild
- JAVA and C Training - IIT BOMBAY
- Career Essentials in Generative AI - Microsoft and LinkedIn

EDUCATION

Bachelor of Engineering in Computer Science and Engineering	2023 - 2027
J.J. College of Engineering and Technology CGPA: 8.39	
Higher Secondary Education – Sowdaambikaa Matric Hr. Sec. School 88%	2023
SSLC – Bharathi Vidhayalaya High School Pass	2021
